## SQUADRON CELEBRATES CANADA'S 145<sup>TH</sup> BIRTHDAY at GANGES

Members of the White Rock Power and Sail Squadron gathered at Ganges Marina on Saltspring Island to celebrate Canada's 145<sup>th</sup> birthday on July 1<sup>st</sup>. Getting an early start Friday on the birthday fun were *Freedom Too*, *Kazbar* and *Halifax Jack* who enjoyed a warm sunny afternoon on the dock and all enjoyed a dinner ashore.

Skies were overcast with scattered showers on Saturday as *Deetour*, *Acadia*, *Carousel*, *Mariner* and *NRT Express* arrived.

Due to late afternoon showers happy hour was enjoyed aboard *Acadia*. Some ventured into Ganges to take part in the community's Canada Day festivities while others just enjoyed fun and fellowship on the docks.

The potluck dinner attracted 17 with a wonderful variety of delicious dishes.

Sixteen joined in the crib tournament

with first place to Andrew of *Acadia*, second to Patt of *Kazbar*, third to Jennifer of *NRT Express* and fourth to Joan of *Mariner*

There was some rain early Monday as all returned to home marinas.

Cruisemaster, White Rock Squadron  
Barry Baniulis irishromy@shaw.ca

## PMD Integrated Squadron Cruise

**NB:** Please contact Norm Headrick to reserve your slip. nheadrick@shaw.ca

All PMD Squadron members and their guests are invited to attend an integrated cruise at Port Browning Marina during the weekend of August 24, 25 and 26th, 2012. In the last couple of years, Port Browning Marina has upgraded their docks, power supply, washroom and shower

facilities. Friday evening will be a meet and greet as our members arrive. Starting at approximately 1:00 PM Saturday afternoon, a three hour dingy exploration cruise will depart for Bedwell Harbour and return around 4:00 PM. A potluck dinner will commence at 6:00 PM on the lawn

near the fire pit. Members are asked to supply their own main course and one potluck dish to share. BYOB plus plates, cutlery and napkins. Weather permitting, at dusk on Saturday evening, we will show a movie that will be entertaining for all ages.

## Vancouver Wooden Boat Festival

The Vancouver Wooden Boat Society produces the annual Vancouver Wooden Boat Festival which is held at Granville Island in Vancouver BC in August each year. The dates for the 2012 festival are August 23-26. The festival runs from 1000 - 1700 daily.

Helping the public get a taste of our rich maritime heritage is part of the Vancouver Wooden Boat Society's mandate – the festival and you, the boat owners, go a long way to helping us meet our goals.

Thank you for promoting us

Dave Sharrock”

## MAREP REPORTING

We should all view MAREP as a safety issue.

The criteria and procedures for reporting are well documented on page 22 of our District Roster. A reporting form is shown on page 23. [Editor's note: the 2012 Roster was mailed with the August Issue of PY.] As well, there is a printable version of the reporting form accessible from our PMD web site. We should have this form on our boat. It will help to ensure correct reporting procedures. **See any Navigation aids not as shown on your chart, either**

**missing or repositioned? Any new Nav. Aids that are not on your chart?** Submit a report to your Squadron's MAREP Officer. And include any relevant photos.

**Have a Smart phone on your boat?** They will provide a very accurate GPS positions, and a source of good photos for your MAREP Reporting.

Your reports are passed on to Canadian Hydrographic Services (those folks who make your Marine Charts), and to Canadian Coast Guard who may issue a Notice to Mariner (NORMAR). Your report may help fellow boaters in avoiding

dangerous situations.

**Wish to keep your Government provided publication up-to-date?** Subscribe to monthly NOTMAR updated for the Canadian Coast Guard publications: Marine Charts; Sailing Directions; Small Craft Guide; and List of Lights, Buoys and Fog signals, by going to: [www.notmar.gc.ca](http://www.notmar.gc.ca). It's a worthwhile safety service for all of us boaters.

**Need further information or assistance in filling out the MAREP form?** Contact me, Ken Penny, White Rock Squadron MAREP Officer, 604-531-5602

Canadian Safe Boating Council  
Conseil canadien de la sécurité nautique

Memo from  
Catherine McLeod, CPS-ECP National Administration Officer

## THE CANADIAN SAFE BOATING COUNCIL WANTS YOU TO NOMINATE YOUR LOCAL BOATING HEROES TODAY!

As the 2012 boating season goes into full swing, it's your opportunity to have your own local boating safety advocate or hero recognized for their outstanding or lifesaving efforts in the field of boating safety and environmental stewardship. They may have pulled someone to safety from a capsized boat, taught school children about the importance of always wearing a lifejacket or helped to keep the waterways clean and free of pollutants and debris. Whatever they have contributed to the boating community, we want you to nominate them for recognition at the 2012 Canadian Safe Boating Awards (CASBAs) ceremony!

The CASBAs will take place in Toronto on January 13<sup>th</sup>, 2013 coincident with the Toronto International Boat Show. They're like the People's Choice Awards for Safe Boating recognizing the efforts of the general public, volunteers, professionals, agencies and organizations who have distinguished themselves in the fields of boating safety and environmental stewardship. Maybe you or the company you work for has developed a product that enhances boating safety or maybe you or someone you know was walking along the beach, heard someone calling for help and decided to react. The CASBA awards span a number of categories including:

**"Rescue of the Year"**

**"Marine Professional of the Year"**

**"Top Volunteer Dedicated to Safe Boating"**

**"Best Boating Safety Initiative"**

**"Safeguarding the Environment"**

**"Marine Industry"**

**"Visible PFD Wear in Advertising"**

**"Best Media Contribution to Boating Safety"**

What makes the CASBAs so very special is that nominations come from people like YOU! No matter where you live from Victoria to St. John's, please keep your eyes and ears open and submit your nomination(s).

Help the Canadian Safe Boating Council say thank-you to deserving Canadians for their stellar efforts and let them know that their work is greatly appreciated. Visit <http://www.csbc.ca/> under "Events" for more information about the CASBAs and to submit your nomination or contact Ian Gilson (905)719-5152. Anyone wishing to attend the CASBAs can also register through this site.
