Commander's Comments

Spring is a time for renewal, and for the Squadron that means our Annual General Meeting to select a new Bridge to steer us through the coming year. We have moved the AGM forward this year, and it will take place in the Lounge at Centennial Arena, White Rock. The Notice of Meeting is included in this edition of *The Anchorline*. We are again fortunate to have many people stepping forward to volunteer to take an active role in the Squadron by serving on the Bridge, and serving as instructors and proctors – our front line deliverers. All are encouraged to attend the AGM, which after a brief break for coffee will be followed by a meeting of the new Bridge.

Moving the AGM forward allows us to move the Change of Watch dinner/dance/celebration forward as well, so that it is not in mainstream boating season. This year the Change of Watch is on Saturday May 1st at Chateau Cargill – details are also in this edition of Anchorline.

Just in time for our 50th Anniversary (April 18th, 2011) our original Warrant (1961) has been located thanks to Irene Mattuli, whose husband was Commander in 1984-85, and to Barry Baniulis who presented it to the last Bridge meeting. Thank you both very much.

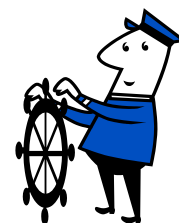

We still have one last class to start this semester – Boat-Pro starts April 6th and runs for 3 weeks – so if you know

anyone still needing the mandatory boat operator license please let them know the course is on.

Since this is our last newsletter before the AGM and Change of Watch, I would like to thank all of the current Bridge members, instructors, proctors, coffee makers and other volunteers for all their hard work in the last year – it has been a privilege to work with you. You have put in countless volunteer hours to continue the success of our Squadron while having busy personal lives as well.

Thank you.

Roger Gibb
Cdr. White Rock

White Rock Squadron's **Annual General Meeting** and monthly **Bridge Meeting** will be held on **Monday, April 12th, 2010** from 6 to 9 pm in the White Rock Centennial Park Leisure Centre Lounge
14600 North Bluff Road (turn south at Anderson & go past soccer field)
(Coffee, tea & sweets will be provided)

Did you know that ... 2057 volunteer hours were contributed by our squadron members in 2009. To earn 1 'Merit Mark' a volunteer must contribute a minimum of 20 hours toward the activities of the Squadron. Let's do the math: for example, if an average Bridge member contributed 110 hours per year towards merit marks then the 20 Bridge members put in a total of (20 X 110) = 2200 hours for the year. Assuming a rate of \$10 per hour, the 'dollar' value would be \$22,000 per year. "Huh" Merit Marks will be presented at the '**Change of Watch**' ceremonies on **May 1, 2010**.

Cruise Schedule 2010

EASTER.....Friday, April 2 and Saturday, April 3.....Poet's Cove
 VICTORIA DAY.....Saturday, May 22 and Sunday, May 23.....Otter Bay
 CANADA DAY.....Wednesday, June 30 and Thursday, July 1.....Ganges
 LABOR DAY.....Saturday, September 4 and Sunday, Sept. 5.....Genoa Bay

Mark these dates on your calendar and plan to join us for fun, fellowship, happy hours, potlucks, dingy explorations, and crib tournaments. See our December 2009 *Anchorline* for marina contact information. Please note — there is no planned extended cruise in 2010.

Integrated Squadron Cruise to Port Browning August 27, 28, 29th, 2010

Langley Squadron Bridge sends an invitation to all squadrons in the Pacific Mainland District. Their Commander, Bob Stone, writes, "We are proposing an integrated squadron cruise at Port Browning Marina during the weekend of August 27, 28 and 29th 2010.

Please contact Bob Stone at bbbandkc@telus.net or Jim Henderson at trincomalleeii@shaw.ca or Shane Fawkes at sfawkes@shaw.ca. We will need your name, squadron, telephone number, boat length, date of arrival and departure."

Friday night will be a meet and greet as boats arrive. It is also suggested that starting Friday night and continuing Saturday, those that can, fish for crab and we will cook those we catch on the dock Saturday afternoon for a snack.

Saturday night will be a pot luck supper to be held on the dock. It is proposed that boats supply their own main course and one pot luck dish. Weather permitting on Saturday night, we will show a movie that will be appropriate for all ages.

Social / Ed Evening Reminder:

Monday, March 29th at 7:30 p.m. on a slide show on *The Galapagos Islands* will be presented by Dave Emery at the South Surrey Recreation Centre (room MP1).

The photos were taken by the Emerys while vacationing with

Gerry and Shelley Durant two years ago, and were selected from approximately 7000 photos taken during the trip.

Most of us may never have an opportunity to visit this remote and beautiful spot, so come out and let Dave take you on a

tour. All members, students and guests are welcome.

See you there. *R.S.V.P.* at info@whiterocksquadron.org or 604-515-5566 if you think you'll be attending or if you have any questions about the evening.

Government & Industry Liaison Report

Since the last District Council meeting, I have attended the January NANS/PACMAR advisory council meeting in Vancouver and the February NANS/PACMAR meeting in Victoria. The latter meeting was hosted by the BC Ferry Corporation.

1. CCG Update

Boaters should be aware that the old Pitt River Bridge has been removed but the submerged piers and other structures are still in place and therefore present a serious hazard to navigation. Notices to Mariners should be consulted for updates on this project.

The Pitt Lake navigational aids system has been reconfigured. A number of new aids are to be put in place; all plastic aids will be replaced with steel. CHS is

considering a new survey and chart for this area. Again, boaters in this area should consult Notices to Mariners for updates.

A review of Nav-Aids in the vicinity of the Second Narrows Bridge has been completed. Boaters should be aware that a new sector light will be mounted on the bridge. Completion is scheduled for April 2010.

Earlier this year, the US Coast Guard announced its intent to terminate and decommission

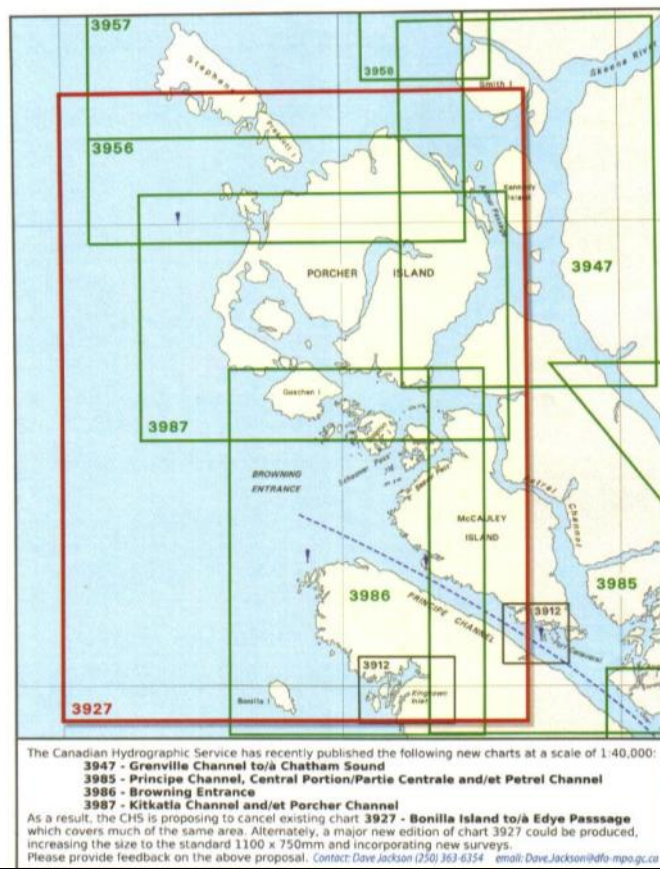

the US Loran-C system. The Great Lakes and Northeast US chains were to be decommissioned as of February 8, 2010; remaining chains, including those operated jointly with Canada, will cease to operate by October 1, 2010. Updates on this undertaking will be provided on Notices to Mariners. It is interesting to note that Environment Canada's weather balloons are currently tracked by Loran-C.

2. CHS Update

Chart 3493 (Vancouver Harbour), originally scheduled for issue by January 2010, should be available in March 2010.

CHS has recently published Charts No. 3947, 3985, 3986 and 3987 covering the approaches to the Port of Prince Rupert. All charts are 1:40,000. Accordingly, CHS is proposing to cancel Chart 3927 which covers much of the same area and is therefore looking for input on the proposed scheme. CHS has indicated that a new edition of Chart 3927 could be produced if demand is sufficient. Please refer to the attached file *CHS-Pr.Rupert Approaches.jpg* to see how the charts relate to one another.
