Tuesday and Wednesday Evening Coffee Volunteers:

A great way to get to know your class mates and others in the Squadron is to volunteer to provide coffee at the breaks on Tuesday and Wednesday evenings. You could either be taking a class, or sit in on a class you took some time ago and want to review. There's not a lot to it, maybe 15 minutes of stuff to do each evening, and buying coffee, cream and cookies.

If you would like to contribute some volunteer times, even for just a few weeks, please give me a call at 604 209 7649.

P.Cdr and Coffee Coordinator

OTTER BAY WELCOMES WHITE ROCK SQUADRON FOR VICTORIA DAY WEEKEND

Members of the White Rock Power and Sail Squadron gathered at Otter Bay on North Pender Island to celebrate the Victoria Day weekend on May 21,22. Some took the opportunity to cross the Strait on Friday evening which was a big, flat lake spending the night at Port Browning.

Boats gathering at Otter Bay under grey cloudy skies Saturday were Shocking Lesson, Perry-Eh, Akevitt, Freedom Too, TS Farley Kazbar, Viking Spirit, Kitiwake, Mariner, Carousel, Acadia and Little Legs. A cool wind didn't dampen festivities for the 5 pm happy hour which attracted 23 but it was an early night for many.

Blue skies and warmer temperatures greeted the

group Sunday morning. A foursome of Geoff, Andrew, Terry and Barry went golfing for nine holes at the Pender Island Golf club enjoying fellowship and fun on the links which in places were a bit dampish. Crab traps had been dropped in the bay and catches were limited. A potluck on the docks was attended by 25 with great dishes - as usual - for all to enjoy.

The evening crib tournament attracted 16 plays with first place honors to Terry of Kazbar, second to Ken of Viking Spirit and third to Chris from Little Legs. All participants went home with prizes!!!!!!!!!!!!!!

The sun was shining again on Monday as boats departed for home ports and again the Strait was flat which made for very enjoyable boating

UNOFFICIAL NEWS about White Rock Squadron's Great (50th Anniversary) Cruise:

[July 15th report] "We went from Sullivan Bay past Cape Caution to Penrose Island in one long leg, as the weather was perfect.

After spending 3 nights at anchor in Fury Cove on Penrose, we proceeded to Namu ... 2 nights and now in Shearwater for 2. The rain started in Fury Cove and hasn't let up since ... kind of a downer." [July 30th report] "Our fleet is currently sitting out weather in Hartley Bay. Arrived Prince Rupert last Sun and left last Wed. Weather lousy the whole time."
