## *COMMANDER'S REPORT For the 2020 Virtual AGM*

May 14<sup>th</sup>, 2020

Good evening fellow CPS members & guest, welcome to our Squadron's virtual AGM

The White Rock Squadron completed another year with boating classes, cruises and socials events. This past year, we had 12 Bridge members with some of them occupying more than one position. This year, we have three new members joining our Bridge. They are **Laura Lansink, Cheryl Jorgensen and Dirk Fetherstonhaugh.**

Our **Chief Commander Chuck Beall** presented **Harald Hanssen, Dave & Janette Magnusson, Shirley Shea - Okamoto** and **Andrew Pothier** with their 20<sup>th</sup> merit mark and Life Membership award at our District's AGM. They were again recognized at the National Conference in Victoria for their accomplishment.

There were four weekend cruises to the Gulf Islands. Again, the highlight was the July 1<sup>st</sup> weekend at Ganges Harbour with the fireworks.

Five members of our Squadron attended the National Conference in Victoria. They were **P/C Mal Blann, SEO Harald Hanssen, D/C John Naylor, Shirley Shea, and Cdr. Andrew Pothier.**

**Brian McMurdo** received the Electronic Instructor of the year award, for western Canada. Thanks to **David Scheifele** and **Gerard Ponsford**, our squadron received the Natural Marine award for having the most successful pass rate in the Boating 2 classes.

During the past year, we held two pub nights and one potluck dinner at Legion #8 with 30 plus members attending each event.

Hopefully, we will be back in the classrooms teaching our safe boating classes in the fall.

**Finally, thank you all for volunteering this past year: Harald Hanssen, David Ward, Janice Cosenzo, Brian McMurdo, Wally Kiss, Sue Cowen, Larisa Hanssen, Tom Foxall, Barry Baniulis, Chris McClland, Saacha Vantylar, Greg Watkin, David Scheifele, Gerard Ponsford, and Laura Lansink.**

Respectfully Submitted,  
**Cdr. Andrew Pothier , SN**

## EDUCATIONAL OFFICER'S REPORT

### **White Rock Power and Sail Squadron Educational Officer's Report to the Annual General Meeting 14 May 2020**

Our student enrollments in our two sessions in this past fiscal year were as follows:

	Fall 2019	Spring 2020	
Boating 2 and 3	18	12	30
Marine Radio	20	10	30
Marine Maintenance Fall (2019)		7	7
Winter/Spring (2020)			Total. 67

Due to the current pandemic restrictions we were unable to offer the last class of Boating 3 this Spring. We offered our students the opportunity to write their final exam, at their convenience, some time during our Fall 2020 session. However, at this time, it appears that we will be unable to offer any classroom courses this Fall.

At the CPS National Conference in October 2019, our Squadron was given the national award for achieving the best results for Boating 2, so congratulations to David and Gerard for their excellent work.

I wish to thank all the members of our Educational department who have all worked diligently to ensure that our courses were offered with the highest quality and professionalism. And, "Thank You" to all our other volunteers who came out to help on registration nights and examination nights. I wish to give a special "Thank You" to Commander Andrew for his dedicated support. In addition to his leadership role, he instructed, proctored and even made coffee when needed.

Respectfully submitted,  
Harald Hanssen SEO

### **Squadron Educational Officer's Report to the Anchorline May, 2020**

Last April we almost completed our Spring semester of courses. Unfortunately, for the last week of our Boating 3 course our school board contract was cancelled and we were instructed by our own CPS Board of Governors to no longer have face to face meetings with our students. As a result, we were unable to offer the final Boating 3 exam. We did offer our students the opportunity to write that exam at their convenience during the Fall session, should we be allowed to have one.

Unfortunately, the current public health situation has not resolved itself as quickly as we had all hoped, so we will not be offering classes in the Fall. Perhaps by January, the Surrey School Board will again accept rental contracts and we will be able to offer our usual boating courses.

I know that I speak for all of us in the Educational Department when I say that it has once more been a pleasure to present to and to help our students through all our courses. We hope that all our students feel better prepared and more confident boating in our wonderful marine environment as a result of participating on our CPS community.

It is my pleasure to share with you that, at the CPS National Conference in October 2019, our Squadron was given the national award for achieving the best results for Boating 2, so congratulations to David and Gerard for their excellent work. And congratulations to Brian McMurdo who won the Electronics Instructor of the Year award for Western Canada.

I wish to thank all our volunteer members, both on our Bridge and in our Educational Department, who have helped make this last year another success.

We wish you all a great boating season, although boating opportunities will be somewhat limited this summer. Perhaps this season may be an opportunity for you to really develop your anchoring skills, as the marinas are implementing physical distancing protocols. Joining us on our Squadron cruises is a great way to gain practical experiences for those who are new to boating.

SEO. Harald

## **NEW RULES AND RESTRICTIONS....COVID 19 AND YOUR BOATING SAFETY NOTE: HEALTH RULES ARE UP- DATING & CHANGING DAILY– CHECK WITH LOCAL AUTHORITIES!**

### **What is the new normal for boaters and how to remain safe?**

Susan Pickrell, Regional Superintendent for the Canadian Coast Guard said CCG is working on a plan to prevent visits from American boaters. “ Right now we’d like to think our friends to the south of us will be staying home and won’t be coming to Canada, especially when we have a closed border”.

**Physical Separation:** - A minimum of 2 meters (6’ ) from anyone who is not in your immediate “bubble”. This is the continuing recommendation of Public Health Authorities. This means family only cruises and no rafting for cocktails at Happy Hour!

**Wear a Mask:** - A reusable cloth mask or face covering in instances where physical separation may not always be possible will help protect others from you and possibly you from them.

**What about transiting U.S. waters?** - Canada Border Service agents on the wharf at Crescent Beach have indicated anyone who crosses into U.S. waters is subject to 14 days quarantine on return to Canada. This contradicts the, Laws of the Sea convention & current customs and immigration rules for transiting vessels. Managers of local Marinas, businesses and myself have sought a definitive answer to this question without success. The Quarantine Act regs might be worth a read before you make your decision!

*Patti Hajdu: The Quarantine Act requires: Any person entering Canada by **air, sea or land** to **self-isolate for 14 days** whether or not they have symptoms of COVID-19.*

*The order will be fully implemented by the Canada Border Services Agency at points of entry. The Government of Canada will use its authority under the Quarantine Act to ensure compliance with the order. Failure to comply with this Order is an offense under the Quarantine Act. Maximum penalties include a **fine of up to \$750,000** and/or imprisonment for **six months**.*

*Further, a person who causes a risk of imminent death or serious bodily harm to another person while wilfully or recklessly contravening this Act or the regulations could be liable for a **fine of up to \$1,000,000** or to imprisonment of up to **three years**, or to both. Spot checks will be conducted by the Government of Canada to verify compliance. All individuals permitted to enter Canada are subject to this Order, with the exception of certain persons who cross the border regularly to ensure the continued flow of goods and services, and those who provide essential services.*

**AHOY !**

**Ganges and Ladysmith 2020 are still a go!**

### **SQUADRON CELEBRATES QUEEN'S BIRTHDAY ON THETIS ISLAND**

White Rock boaters celebrated the start of the boating season by gathering at Telegraph Harbour Marina the May long weekend. Kazbar with Terry and Pat Nagy aboard traveled to Ladysmith late Friday morning reporting a very quiet seaside community. Freedom Too with Barry Baniulis and Rosemary Courtney encountered south east winds and choppy seas as they crossed the strait going directly to Telegraph for a warm and relaxing Friday afternoon. Rain started Friday night and continued all day Saturday making for a soggy arrival of Kazbar in the early afternoon. Freedom Too hosted a happy hour that lasted three hours. Sunshine and blue skies were in full force Sunday making for a great day. Both boats combined forces for a wonderful potluck aboard Kazbar. Pat and Barry won the crib tournament. Both boats returned to home marinas under great conditions Monday.

### **Have you re-claimed your profile and renewed your membership?**

The CPS-ECP change over to a new computer software system has been challenging to say the least. Members must reclaim their profile and re-set a new password.

How to re-claim and reset:      **Go to [www.CPS-ECP.ca](http://www.CPS-ECP.ca)**

If you are a CPS-ECP member, associate, or previous student  
Click on: **Returning User**

**Enter your name as it appears on your membership card:**

**Remember you must enter the name you were originally registered with**  
**For example if your name is John Smith but you were originally registered as John Robert Smith. You must enter that full name.**  
**If the first course you took was ROC(M) you will be registered with your full legal name.**

**After registering and re-setting your password you are ready to renew your membership.**

**On the CPS-ECP main page “login”**  
**Then select “membership”**  
**Then “membership renewal”**  
**Follow the prompts**

**You’re all set - Welcome back or welcome aboard if you are a first timer!**

**If you have any trouble with the process let me know:**  
**[cps.bmcmurdo@gmail.com](mailto:cps.bmcmurdo@gmail.com)**

## Are you prepared for an accident or an incident on your boat?

Does more than one person aboard have their ROC(M) and know how to use the DSC VHF Radio?

Have you checked your radio and antenna this spring?

Are all persons on board familiar with their PFD's? Do they know where they are? Do they have them on?

Is all your safety equipment up to date , operational and in a location where it can be accessed easily?

What if you need help? Are you up to date on Distress and Urgency protocols?

What are the signals you need to know if you get caught in Fog?

It can happen to you! Are you ready?

---

***White Rock Squadron Executive meetings are held on the  
second Thursday of each month  
(except in June and July)***
