Commander's Report...

Classes are nearing completion and the boating season is about to get underway; spring has arrived! As the evenings lengthen, it's time to think about bottom paint and other maintenance items.

On the water our focus will no doubt be drawn to issues of the day – higher fuel costs, increased border security, environmental concerns, greater use of pump-out stations and, of course, the US exchange rate. Some adjustments will be required, but the enjoyment that we derive from boating makes it all worthwhile.

As my term as your Commander winds down, I would like to thank our instructors, proctors and Bridge members for their excellent and substantial contributions of time and effort that have collectively made this past year so successful for the squadron, and my job a pleasure. Soon your new Bridge will be active with final arrangements for our Change of Watch on May 3rd and Mini Grad for the graduates of our spring classes. Squadron cruises are scheduled throughout the summer, and we'll be represented at White Rock's Sea Fest during the long weekend in August. The date for Pacific Mainland District's AGM is May 24th – our own Norm Headrick is in line to become District Commander for the coming year. Congratulations, Norm!

In closing, I wish you all a happy and safe boating season. And perhaps while you're on the water some event you experience or witness will cause you to consider taking an advanced or elective course next fall, or to recommend our courses to another boater.

John Naylor
Commander
