**BLUE WATER DREAMS by Jim Poirier**  
Singer, Song Writer, Sailor, Story Teller

A philosophic 60 minute visual, oral and musical presentation encouraging us to step out side of our comfort zone in the pursuit and living out of our dreams.

Jim Poirier was born in the semi-desert area of Kamloops British Columbia 63 years ago,

He says *“The ability to dream a dream, make a plan, set a goal and live out that dream is what makes humans unique on this planet. All great achievements made by mankind were accomplished this way, many by people who did not know it could not be done.”*

Blue Water Dreams uses stories and songs written and performed by Jim. Song writing is another life long passion of Jim's and is demonstrated in this program with 6 original songs played on acoustic guitar. Nothing is pre recorded. In between each song Jim tells stories of his dreams and how they have shaped his life. In the back ground pictures and videos of Jims sailing adventures are displayed.

With over 30,000 offshore miles logged and 36 years of sailing experience, Jim has had a lot of time at sea to think about life.

**2. Saturday Evening May 23, 2015, 5:00 – 11:30 PM**
